ABOUT ORLA & OHF

Oregon Restaurant & Lodging Association (ORLA) is the leading business association for the foodservice and lodging industry in Oregon. A not-for-profit trade organization, ORLA advocates for the foodservice and lodging industry in Oregon. Before COVID-19, our industry provided over 183,190 jobs to working Oregonians and brought in over $13.8 billion in annual sales for Oregon.

Mission

ORLA serves as the leading industry advocate, striving to protect, improve and promote Oregon Hospitality.

Foundation

Formerly the Oregon Restaurant & Lodging Association Education Foundation (ORLAEF), the Oregon Hospitality Foundation (OHF) formed in 1992 as a 501c3 nonprofit entity to focus on supporting the restaurant and lodging industry’s education and training needs. In April 2020, the Foundation expanded its focus to include charitable work, economic relief, and technical assistance for the industry’s employees and businesses.

TESTIMONIALS

“Getting involved with ORLA has been one of the best strategic partnership decisions we have made at HR Annie Consulting. This is a wonderful opportunity to be introduced to and engage with new clients, and we have an amazing resource to utilize for our own business.”

- HR Annie Consulting

“On a local and individual level ORLA does exceptional work to inform, protect and promote the Oregon restaurant and lodging community. Partnering with ORLA is the best way to advocate our Oregon businesses and our shared concerns.”

- McDonald Wholesale Co.

“Year over year we are so thrilled to see our partnership with ORLA flourish & grow. We continue to be so impressed at the sheer amount of resources & energy the ORLA team puts towards the betterment of the restaurant & lodging industry & their members. As a strategic partner of theirs, we can say we feel the same level of support in our partnership as well.”

- Megan Shadle Dell Technologies
ORLAPAC

Invest in the future of your business with a contribution to the ORLA’s Political Action Committee (ORLAPAC). By supporting ORLAPAC, you’re joining hundreds of others in the hospitality industry to amplify your voice with our legislators here in Oregon. The majority of ORLAPAC’s donors are small businesses and individuals who give annually because a strong ORLAPAC is critical to defend tourism funding and pushing key legislation in Salem.

Bi-partisan and business minded. ORLAPAC is a bi-partisan PAC contributing to both legislators who have supported the industry’s legislation in Salem and challengers whose election will advance the hospitality industry’s legislative agenda. These funds are dedicated to helping elect candidates to office who will work to support the growth of Oregon’s hospitality industry.

Strength in numbers. Owners and operators in the hospitality industry have one of the largest political action committees in the state because industry members understand how important it is to back candidates for office who will work to create a climate for private enterprise to succeed in Oregon. ORLAPAC-endorsed candidates don’t think it is enough the hospitality industry survives in Oregon. Our team here at ORLA is continuing to work with legislators through our Government Affairs Committee and ORLA Unemployment Insurance Task Force to address priorities for the Legislative Session. Local mandates and our commitment to safety have limited our ability to hold fundraising events in 2021. Your contributions to the industry PAC are key to advocacy for the hospitality industry.

Defending the hospitality industry. ORLAPAC is the only PAC fighting exclusively for hospitality interests in Salem, but we need your support to succeed. Your contribution allows our PAC to remain one of the largest, most strategically effective political action committees in the state - and one of the strongest political investments you will make in the future of your business.

Over the last year, we have worked hard to maintain access to leadership offices in the Oregon capital, fight off the Portland Metro wage tax (which could have spread across the state), and invest in races to attempt to achieve balance in the legislature between Democrats and Republicans (Republicans gained an additional seat in the House).

Our team here at ORLA is continuing to work with legislators through our Government Affairs Committee and ORLA Unemployment Insurance Task Force to address priorities for the Legislative Session. Local mandates and our commitment to safety have limited our ability to hold fundraising events in 2021. Your contributions to the industry PAC are key to advocacy for the hospitality industry.
